Dear Sir,

Sub: DST-NIMAT Project 2018-19: Sanction Order

Greetings from EDII, Ahmedabad!

This is with reference to your proposal submitted for conducting activities / programme(s) under the aegis of National Science & Technology Entrepreneurship Development Board (NSTEDB), Department of Science and Technology, Govt. of India, New Delhi.

We are happy to inform you that the following activities / programmes have been sanctioned:

Sr. No.	Activity / Programme	No.	Amount in Rs.	Locations
1	Entrepreneurship Awareness Camp (EAC)	2	40000	As mentioned in proposal
	Total	2	40000	

You are requested to please go through the enclosed **Guidelines / Terms & Conditions as it is mandatory to follow the same.**

Please note that the **first installment is to be released on receipt of the following documents;**

1. **Duly Signed Agreement**
2. **Duly Signed "Terms & Conditions" (each Page)**
3. **Action Plan [Annexure-I]**
4. **Bank Details [Annexure-IA]**

Scanned with CamScanner

The **funds will be transferred through RTGS/NEFT**. Please make sure that the above said **documents must reach us as early as possible, but not later than ONE MONTH** of receiving this sanction letter. **Non receipt of the same may be considered as your unwillingness to take up the programme(s).**

As per point no. 11 of the enclosed Terms & Conditions, it is expected to generate results in terms of unit establishment from programmes like; EDP, WEDP and TEDP. Hope, you will design the required strategy to show case desired result.

For any additional information, please contact either me (Email ID: sareen@ediindia.org, Mobile: **09925110040**) or my colleague **Mr. Prakash Solanki** (Email ID: psolanki@ediindia.org, Mobile: **09723816384**).

We look forward to have a long term professional relationship.

Thanking you, with regards,

(S. B. Sareen)

DST – NIMAT PROJECT 2018 – 19

Implemented by:
Entrepreneurship Development Institute of India (EDII), Ahmedabad

Under the aegis of:
The National Science & Technology Entrepreneurship Development Board, DST, Govt. of India

Agreement between EDII and Programme Implementing Agency (PIA)

Entrepreneurship Development Institute of India (henceforth referred to as EDII) having its Head Office at Village & P.O. Bhat 382 428, Dist. Gandhinagar (Gujarat) and BRCM COLLEGE OF ENGINEERING & TECHNOLOGY, BAHAL, BHIWANI, HARYANA, 127028.
[Name & address of the Programme Implementing Agency (PIA)] hereby enter into the following Agreement on 24/7/2018 *(Date)* at BAHAL *(Place)*.

BRCM COLLEGE OF ENGINEERING & TECHNOLOGY, BAHAL, BHIWANI *(Name of the PIA)* has agreed to conduct 2 EAC(s) / — EDP(s) / — WEDP(s) / — TEDP(s) / — FDP(s). The programme (s)/ activity are to be conducted as per the terms and conditions enclosed.

General Guidelines

1. The grant being released should be exclusively spent on the specified purpose for which it has been sanctioned within stipulated time. Any unspent balance out of the amount sanctioned would be surrendered to EDII, Ahmedabad. Carry forward of unspent funds to the next financial year for utilisation for the same purpose may be considered only with the specific approval of the EDII, Ahmedabad.

2. The Programme Implementing Agency will furnish progress report of the work on the programme from time to time. In addition, appropriate persons may visit the Programme Implementing Agency periodically for ascertaining the progress of work and resolve any difficulties that might be encountered in the course of implementation. During the progress of the project, the PIA will provide all facilities to the Visiting Persons. On completion of the programme, consolidated report of the work done on the subject in a bond from shall be sent to EDII, Ahmedabad.

3. The Programme Implementing Agency shall furnish to EDII, Ahmedabad, Utilisation Certificates (copy enclosed) and an Audited Statement of Accounts pertaining to the grant within three months of completion of the programme / activity sanctioned.

4. The Programme Implementing Agency will maintain separate audited accounts for this project. If it is found expedient to keep a part or whole of the grant in a bank account earning interest, the interest earned should be reported to the EDII, Ahmedabad. The interest thus earned will be treated as a credit to the PIA to be adjusted towards further instalments of the grant, if any.

5. The Programme Implementing Agency will not entrust the implementation of the work for which the grant is being sanctioned in another organization and to divert the grant receipt as assistance to the latter institution. In case the PIA itself is not in a position to execute or complete the project, it would be required to refund the entire amount of grant-in-aid received by it to EDII, Ahmedabad.

Faculty Development Programme

On

"Pedagogy for Effective Teachingand Learning"

23rd - 24th April, 2018

Globalization, changing demographics and technological advancements are some of the key driving forces of the future. Our students will have to be prepared to face these challenges and seize the opportunities brought about by these forces. In 21st century, students use educational technologies to apply knowledge to new situations, analyze information, collaborate, solve problems, take risk and make decisions. So the education should be structured as outcome based which develop certain critical core competencies such as collaboration, digital literacy, critical thinking, problem-solving and self-learning etc. It should be interdisciplinary, project-based, research-driven and connected to the community – local, state, national and global. Thus, the responsibility of a technical institute is to create and sustain a community of learning in which students acquire knowledge and learn to apply it professionally with due consideration for ethical, ecological, and economic issues. In short, providing knowledge-based technological services, and building national capabilities in science, technology, humanities, management, education and research to satisfy the needs of society and the industry are equally important and demanding.

BRCM CET under the banner of Indian Society for Technical Education (ISTE) successfully organized two days Faculty Development Programme on "**Pedagogy for Effective Teaching and Learning**" during April 23-24, 2018.Around 50 delegates from BRCM CET Bahal, GDC Memorial PG College Bahal, NIT Kurukshetra, GJU S&T Hisar, Govt. Senior Secondary School, Kaithal, Northen Engineering College Delhi, Maharishi VedVyas Engineering College, Yamunanagar and KVMT Engineering College Siwani attended the FDP.Distinguished Speakers, Dr. Tamali Bhattacharyya, Consultant, TLC BITS Pilani, Dr. Manoj Kumar Soni, Associate Professor, Mechanical Engineering Department, BITS Pilaniand Dr.ArabindaSharma, Principal BRCM CET graced the inaugural ceremony of this FDP. Keynote lectures were delivered by experts from BITS Pilani.

At the inaugural function Shri Sunil Baloda, Assistant Professor Mechanical Engineering Department and Coordinator of the FDPintroduced distinguished speakers and gave details of the various technical sessions of FDP. He also highlighted theimportance of the theme of the FDP in the context of modern teaching aidsand role of teacher in catering the needs of students in 21st Century. Principal Dr. Arabinda Sharma in his presidential address highlighted the importance of Pedagogy in teaching and learning. He also welcomed distinguished speakers for accepting the proposal for conducting FDP at BRCM CET. The FDP Coordinator and Assistant Professor Mechanical Engineering Department Shri Sandeep Chauhan proposed vote of thanks at the conclusion of the inaugural function.

The technical sessions of FDP were well attended and technical deliberations were very lively. The first technical lecture was delivered byDr.ManojKumar Soni, Associate Professor, Mechanical Engineering Department, BITSPilani.Dr.Soni apprised the audience with Washington accord and NBA Guidelines. In this lecture, Dr. Soni emphasized on importance of accreditation for Engineering Institutes, role of industries in curriculum design and also highlighted the benefits of NBA Accreditation. In second and third session, Dr. Tamali Bhattacharyya focused on Outcome based education, domains of learning like affective domain, psychomotor domain and cognitive domain. Using Blooms Taxonomy, Dr. Bhattacharyya discussed how to write course objectives including performance, condition and criterion component with numerous examples. Dr. Bhattacharyya also put some light on constructive alignment.In fourth session, both invited speakers demonstrated pedagogy frame work for developing course objectives. In this session, participants practiced how to design course objectives of their respective domains. During this session, both the invited speakers guided the participants for developing course objectives.

In the fifth session on day 2, Dr. Tamali Bhattacharyya focused on learning approach: assessment and evaluation. In this session, she highlighted methods of learning, how to assess and evaluate the learner. Dr. Bhattacharyya also emphasized on types of learner such as surface learner, achiever and deep learner. In sixth session, Dr. Soninarrated the concept of active learning and cooperative learning. In active learning, Dr. Soni enlightened about various approaches of active learning, purpose of active learning and improving lectures. In cooperative learning, Dr. Soni emphasized on musketeers of team building and benefits of cooperative learning. In the last session, both distinguished speakers facilitated the participants to develop

question paper and then discussed whether the problem statement designed by the participants justifies the course objectives or not.To conclude this FDP, a panel discussion was conducted. In the closing ceremony, Dr. S.K. Sinha, Director, BRCM Education Society honored distinguished speakers by presenting a Memento and felicitated the organizers for successfully conducting two days Faculty Development Programme at BRCM CET premises. Director, BRCM Education Society, Dr. S.K. Sinha,esteemed speakers Dr. Tamali Bhattacharyya, Dr.ManojKumar Soni and Principal BRCM CET, Dr. Arabinda Sharma distributed certificates to the participants. At the end, Vote of Thanks was proposed by ShriSandeepChauhan. The detailed schedule of FDP is given below:

SCHEDULE OF FDP

Day 1: 23rd April, 2018

ET	Topic	Expert	Time
	Registration		08:30—09:00 AM
	Inaugural		09:00—09:15 AM
1	Washington Accord and NBA Guidelines	MS	09:15—10:15 AM
	Tea Break		10:15—10:30 AM
2	Outcome Based Education	TB	10:30—12:30 PM
	Lunch		12:30—01:30 PM
3	Pedagogic framework demonstration …develop Your course	TB, MS	01:30—02:30 PM
	Tea Break		02:30—02:45 PM
4	Discussion	TB, MS	02:45—04:45 PM

Day 2: 24th April, 2018

ET	Topic	Expert	Time
5	Learning Approach: Assessment and Evaluation	TB	09:00—10:30 AM
	Tea		10:30—10:45 AM
6	Active learning and Cooperative Learning	MS	10:45—01:00 PM
	Lunch		01:00—02:00 PM
7	Develop your question paper: discussion	TB, MS	02:00—04:00 PM
	Certificate Distribution		04:00—04:30 PM
	Tea		04:30—04:45 PM

*ET:Expert Talk, TB: Dr. Tamali Bhattacharya, MS: Dr. ManojSoni

This course aptly provided guidance to the participants to undertake and complete the following tasks at reasonable levels of proficiency:

- Identify and write down appropriate outcome based course, module and unit objectives of her / his courses based on Bloom's Taxonomy
- Develop / select appropriate test items for all outcome based objectives for both Summative and Formative evaluation.
- Plan an outcome-based curriculum document to meet NBA and Washington Accord requirements.

NATIONAL WORKSHOP

DEVELOPMENTS IN ENERGY RESOURCES & CONSERVATION (DERC -2015)

PROGRAMME

March 02, 2015 (Venue : Seminar Hall, Mechanical Engg Dept)

9.00 – 9.30 hrs	REGISTRATION
9.30 – 10.30 hrs	Inaugural Function
10.30 - 11.00 hrs	Tea
11.00 – 13.00 hrs	**Technical Session I**

1.	**Dr Manoj S Soni** Coordinator, Center for Renewable Energy & Environment, BITS Pilani	SOLAR THERMAL Past , Present & Future
2.	**Ar. Rajendra Kumar** Practicing Architect New Delhi	NET ZERO ENERGY BUILDINGS

13.00 -13.30	Visit to Solar Power Plant (BRCM)
13.30 – 14.15 hrs	Lunch (Annapurna Mess)
14.15 – 15.30 hrs	**Technical Session II**

1.	**Professor Dr Ashok Sharma** MNIT Jaipur	ENERGY SAVING IN MELTING PRACTICES IN FOUNDRIES

16.00 hrs onwards

Visit to ancient Pahadi Mata Mandir, Bahal
(for interested delegates)

March 03, 2015 (Venue : Seminar Hall, Mechanical Engg Dept)

9.30 – 12.30 hrs **Technical Session III**

1.	**Mr K P Singh** General Manager (Retd), BHEL Haridwar	ENERGY MANAGEMANT IN INDIAN FOUNDRIES
2.	**Mr Ivan Saha** President & Chief Technical Officer, Vikram Solar (P) Ltd Kolkata	PROSPECTS OF SOLAR ENERGY IN INDIA
3.	**Professor Dr D B Goel** BRCM -CET	HYDRO ENERGY IN INDIA - PROSPECTS & CHALLENGES
4.	**Mr Sunil** BRCM - CET	HYDROGEN AS A SOURCE OF RENEWABLE ENERGY

12.30 – 13.00 hrs **Valedictory Function & Distribution of Certificates**

Followed by Tea

WORKSHOP
ON
MATLAB
(A LANGUAGE FOR ENGINEERS & SCIENTISTS)

Mechanical Engineering Department successfully conducted a one day workshop; titled **"MATLAB: A Language for Engineers and Scientists"** on 3rd April, 2017, for knowledge enrichment of students.
The inaugural session was graced with the presence of Mr. A.K. Saini, the expert talk deliverer for the whole one day program. Mr. Saini, a young and dynamic academic professional from Punjab University SSG Regional Centre Hoshiarpur, was welcomed with a floral bouquet by Dr. Arabinda Sharma (Principal, BRCM CET); followed by a welcome speech of Mr. Sunil (Assistant Prof., ME Department and workshop coordinator).

The workshop commenced with a few energetic and motivational words by Mr. Saini to over 60 participants. Not only the importance and applications of MATLAB were highlighted, but various fundamental modules of MATLAB were also discussed. The first session emphasized on basic introduction, command window, array generation and manipulations, operations with vectors and matrices, built-in functions & variables, output formats, variable handling commands and string assignments to variables etc.

The second session started after a short tea break. In this session, Mr. Saini threw light upon need and importance of script files in MATLAB. The creation, saving and running of script files were discussed with proper hands-on by participants. Besides, various variable assignment methods along with important output commands were also discussed in detail.

The third and last technical session of the day commenced after lunch break. Mr. A.K. Saini delivered his presentation on 2-D plots in MATLAB. Various possible commands of important plots were discussed with examples. Plotting of multiple plots within same plot and on the same page was discussed. Formatting of the plot was also covered in detail in this session. The climax phase of workshop realized the importance, creation and calling of user defined functions in MATLAB as function files.

The contents discussed in the workshop and the way, they were presented by Mr. A.K. Saini, were highly appreciated by the participants. The closing ceremony of the workshop was accomplished by an enthusiastic speech of Mr. Saini. Certificates were presented by Dr. Arabinda Sharma, Sh. Shelej Khera and Mr. A.K. Saini to all the participants of this workshop. The valedictory session was observed by presenting a token of love to Mr. Saini by Dr. Arabinda Sharma, followed by the vote of thanks by Mr. Sunil.

REPORT ON NATIONAL WORKSHOP (MF-2015)

The Department of Mechanical Engineering under the banner of Mechanical Engineering Society (MES) successfully organized a National Workshop on "**Metallurugical Failure**" during September 11-12, 2015. Shri K P Singh, Former General Manager BHEL Haridwar, was the Chief Guest in the inaugural function and Dr. S.K. Sinha, Director BRCM Education Society was Guest of Honour on this occasion. In the workshop, there were 6 expert lectures, 4 expert lectures were delivered on 11th September & the remaining 2 expert lectures were delivered on 12th September, 2015. Around 225 participants from NITs, BITS Pilani and nearby colleges attended the National Workshop DERC-2015. The keynote speakers enlightened faculty/students/research scholars/PG & UG students of Engineering & Science streams about the fundamental aspects of materials Failure and exposure to participants about various wear test procedures and equipments.

Keynote lectures were delivered by:-

1. **Dr. D.B Goel,** Professor Emeritus, BRCM CET delivered an expert lecture on **"*Cracking – The cause Of Metal Failures*"**.
2. **Dr R.P. Mishra, Asstt. Professor, BITS Pilani,** delivered an expert lecture on **"*Modeling and Simulation of cutting tool wear* "**.
3. **Dr Sanjay Panwar, Associate Professor, MMU Mullana, Ambala,** delivered an expert lecture on **"*Failure in Engineering Materials*"**.
4. **Shri K P Singh,** Former General Manager BHEL Haridwar, delivered an expert lecture on **"*Failure Analysis of a steel casting*"**.
5. **Anurag Hemilton, Research Scholar, MNIT Jaipur,** delivered an expert lecture on **"*Different methods to combat erosion in hydro turbine*"**.
6. **Vatsala Chaturvedi, Research Scholar, MNIT Jaipur,** delivered an expert lecture on **"*Study of friction and wear behaviour of AZ91 Alloy***

Workshop on "Primavera Software"

11th October, 2019

BRCM CET in association with CETPA, Noida organized a one-day workshop on "Primavera Software" on 11th October, 2019 for Civil and Mechanical Engineering students. Primavera software is useful for any size project across every industry. In an evergrowing challenges and complexity of engineering projects, primavera provides unparallel control, monitoring, and insight to the planners, employers, stakeholders and anyone who are involved in a given project for making activities and tasks easier to complete. The workshop was highly interactive with doubt clearing session. The workshop will certainly be a stepping stone for students to get a chance as project manager in industry.

Short Term Training Programme on
"Effective Teaching"
15/07/2019 to 19/07/2019

Dr. ArabindaSharma, Civil Engineering Department coordinated a One-week Short Term Training Programme on "Effective Teaching" organized by NITTR, Kolkata in ICT Mode (Online) from 15/07/19 to 19/07/19. Forty faculty and staff members participated in this STTP. All the participants found the STTP extremely useful as the STTP offered useful tips and tools on making the course lectures and Lab more effective in the context of changing teaching –learning space in the era of ICT and availability of open source learning materials.

Short Term Training Programme on "Assessment and Evaluation under Outcome Based Education (OBE)"

from10/06/19 to 14/06/19

Dr. Arabinda Sharma, Civil Engineering Department coordinated a One-week Short Term Training Programme on "*Assessment and Evaluation under Outcome Based Education (OBE)*" organized by NITTR, Kolkata in ICT Mode (Online) from 10/06/19 to 14/06/19. Thirty-seven faculty and staff members participated in this STTP. The STP focus on identifying the feature of outcome based learning, distinguishing assessment and evaluation, planning and designing of assessment tool under OBE. All the participants found the STTP extremely useful in the context of current practices of evaluation of teaching-learning activity and various accreditation activities.

Short Term Training Programme on "Problem Based Learning"

From 20/05/19 to 31/05/19

Dr. Arabinda Sharma, Civil Engineering Department has coordinated a two-week Short Term Training Programme on "Problem Based Learning" organized by NITTR, Kolkata in ICT Mode (Online) from 20/05/19 to 31/05/19. Forty faculty and staff members participated in this STTP. As an outcome of this STTP, it is expected that the faculty members will able explain the basic problem-solving strategies, identify specific problems

covering a particular area of learning and able to analysis the benefits associated with PBL.

workshop on "**Designing with Revit Architecture**"

on 15th October

1. A workshop on "**Designing with Revit Architecture**" was conducted by Dr. Arabinda Sharma, Civil Engineering Department in association with Aptron Solution Pvt. Ltd., Gurugram on 15th October. Mr. Ravi, Design expert, from Aptron Solution Ltd , discussed on the importance Building Information Modeling (BIM) and virtual reality (VR) building drafting and interior designing of a building. He demonstrated hand on practices on the different modules of Revit to the participating final year students. He also explained its advantages over Autocad. The participating students and faculty members found the workshop highly informative, as they got familiar with Revit software.

Workshop on AutoCAD

on 21/8/2018

One day workshop on AutoCAD was organized Society for Civil Engineers held on 21/8/2018 in Civil Engineering Department. In this workshop Mr. Mukul student of final year introduced Computer assisted drafting, 2D and 3D features of AutoCAD software and its application in civil engineering projects to the participating students.

Faculty development programme on "Digital Marketing"

on 31st March

One day faculty development programme on **"Digital Marketing"** was organized by Civil Engineering Department for the teaching and nonteaching staffs of the college on 31st March, 2018. Mr. Abhijit Bakale, Industry expert from **APTRON**, **Gurugram** delivered a lecturer and hands on practices on various tools and tricks trending in current digital marketing world. Forty staffs from various departments

participated in the FDP and found it extremely useful, as they got familiar with the digital marketing technologies.

Faculty Development Program on "Foundation Program in ICT for Education on 18th and 19th August

Civil Engineering Department organized **a two-week FDP on "Foundation Program in ICT for Education (FDP101x)" in collaboration with Indian Institute of Technology, Bombay.** The FDP involves the online and offline submission of assignments and two-day face to face interaction which was held on 18th and 19th August, 2017. In this workshop, 28 faculty members from various disciplines were participated. The workshop was focused on use of ICT technologies for effective class room teaching. According to Dr Arabinda Sharma, Coordinator of the FDP, it is required to score 50% by the participants to make them eligible for getting the certificates and for participating in the 2nd advance phase of this FDP which is likely to be start in the month of September. As such all the participants unanimously agreed that the content of FDP was highly useful and will certainly help them in improving their class room teaching skills.

National Workshop on "Popularization of Remote Sensing"

On 11th August 2017

Civil Engineering Department organized a one-day National Workshop on "Popularization of Remote Sensing" in cooperation with Indian Institute of Remote

Sensing, Dehradun, on 11th August 2017. In this Workshop, 37 students and faculty members from various disciplines participated. The workshop was focused on remote sensing technology and how remote sensing technology can be used for common man, even in their daily life. Remote Sensing experts from IIRS, Dehradun, NRSC, Hyderabad, NESAC Shillong, SAC Ahmedabad and DOS, New Delhi delivered their views on current status of RS application for common uses and including mapping various features and resources. According to Dr Arabinda Sharma, Coordinator of the event, all the participants attended the workshop enthusiastically and found the workshop very informative. Certificates are also distributed among all the participants.

Short Term Course organized for students in Civil Engg. Dept.
On 22/05/2017

Managing Water resource is vital for survival of one and all. Dr Arabinda Sharma, Principal and Head, CE, coordinated 21st IIRS Outreach programme on **"RS and GIS Application in Water Resource Management"** organized by Indian Institute of Remote Sensing, ISRO, Dehradun from 22nd May to 8th June, 2017. In this STC, seven students participated. Potential role of the space and information technologies in managing problems related to water resources were discussed during the program. The post STC examination was held on 19th June, 2017.

Participants, who successfully completed their course, were awarded with certificates.

Workshop on "Structural Analysis using SAP-2000 Software"

On 16th November

Department of Civil Engineering organized a one day in house workshop on **"Structural Analysis using SAP-2000 Software" on 16th November, 2016.** Seventy-five students and staff members of the Department were participated in it. The workshop was aimed to increase the awareness among students and to create students' interest in planning, designing or construction of structures. The Workshop was very educative, informative and was appreciated by all theparticipants.

Faculty Development Programme on "Use of ICT in Education for Online and Blended Learning"from May 2nd to July 10th 2016

AICTE Approved Four-Week Faculty Development Program organized by IIT Bombay through Video Conferencing at our College.

To empower the teachers of the professional colleges to use technology effectively and to enhance the quality of education a four-week AICTE approved Faculty

Development Programme on "**Use of ICT in Education for Online and Blended Learning"** was conducted from May 2nd to July 10th 2016 through video conferencing from IIT Bombayat E-Learning Center of Our College. This FDP was designed as a MOOC (Massive Open Online Course) with some face-to-face sessions. Total twelve faculty members from CE, CSE, EEE and Applied Sc. & Humanities departments were benefitted from the Workshop.

Training Workshop on "Bhuvan-Panchayat Portal and Mobile Application for Asset mapping" on 27/07/2016

Training Workshop By ISRO**, Dehradun For Civil Engg. Students**

A one-day Training Workshop on "Bhuvan-Panchayat Portal and Mobile Application for Asset mapping" was held on 27/07/2016 in technical association with Indian Institute of Remote Sensing, ISRO, Dehradun. Fifty five students of B.Tech Civil Engineering were participated in this training programme. The undersigned coordinated the programme.

16th IIRS outreach programme on "Geospatial Technology for Urban Planning" from 11/02/2016 to 15/03/2106

Civil Engineering Department has conducted the 16th IIRS outreach programme on "Geospatial Technology for Urban Planning" from 11/02/2016 to 15/03/2106 in association with Indian Institute of Remote Sensing, Dehradun. In this workshop, 18 students from 2nd and 3rd year B.Tech (Civil Engineering) participated. Dr. Arabinda Sharma was the Coordinator of this workshop.

Report on Workshop Conducted

Title: Two days Workshop on Advanced industrial Automation system using PLC scada

Date: 5-6 April, 2016

Duration: 5 + 2 hours per day (Theory + Practical)

Venue: Department of Electrical & Electronics Engineering, BRCM-CET, Bahal (Haryana)

Conducted By: FUTURONIX,New Delhi

No. of Trainers: Two

Overview: A workshop on PLC scada has been organized to provide exhaustive hands on training on PLC scada designed to meet the industry needs and provide students with placements. This course would provide the participants knowledge and experience on the fast growing field of PLC scada Technology.

Participants Profile: The workshop was open for all the pre-final and final year students of different streams. A total of 32 students majorly from EEE stream had participated in the workshop.

Training Module: Both theory as well as practical sessions were conducted.

Theory

- Introduction to Embedded System
- Applications and Future Scope
- Micro – Controllers and its features
- I/ O Ports and Working
- Sensors and Its Interfacing

Hands-on

Basic Interfacings

- How to Glow an LED?
- How to play a sound using Buzzer?
- How to interface a sensor?

LCD Display

- Interface LCD with a micro controller

Weather Monitoring

- Read Temperature through Sensors
- Display Sensor Temperature
- Control Appliance based on Temperature

Feedback: All the students expressed their gratitude to the trainers as well as staff for conducting such practical oriented workshop and creating awareness on recent trends in PLC scada systems.

Future Perspectives: The Department of Electrical & Electronics Engineering is looking forward to organize more practical oriented workshops on such fields in near future.

Report Submitted By: Mr. Sandeep Jakhar

Designation: Assistant Professor

Department: Electrical & Electronics Engineering

TWO DAYS ONLINE TECHNICAL WORKSHOP ON "ARDUINO FOR BEGINNERS" ON 15TH AND 16TH JUNE 2020

Department of Electrical Engineering organized a two days online technical workshop on "Arduino for Beginners" on 15th and 16th June 2020. The keynote speaker of this workshop was Dr. Yogesh Misra, Professor- ECE GMR Institute of Technology, Rajam, Andhra Pradesh. Total 149 participants from all over the country joined the workshop virtually. In this workshop both theoretical and practical aspects of Arduino were discussed. The following topics were covered during the workshop :

- Features of Arduino UNO Board and Arduino IDE Software
- Working with Arduino IDE and Structure of Arduino Programming
- Explanation and Demonstration : Toggling of on-board LED and Externally connected LED
- Explanation and Demonstration : Traffic Light Logic
- Explanation and Demonstration : ADC and Interfacing of Potentiometer with Arduino
- Explanation and Demonstration : Interfacing of Seven Segment Display with Arduino.
- Explanation and Demonstration : Interfacing of LCD Display with Arduino.
- Explanation and Demonstration : Interfacing of LM35 Temperature Sensor with Arduino
- Explanation and demonstration : Interfacing of Optical sensor, relay and bulb with Arduino

Report on Workshop Conducted

Title: Two days Workshop on "Embedded Systems in Bio-Medical Instrumentation"

Date: 2-3 March, 2017

Duration: 3 + 2 hours per day (Theory + Practical)

Venue: Department of Electrical & Electronics Engineering, BRCM-CET, Bahal (Haryana)

Conducted By: Hindian Technologies, Kalka, Haryana

No. of Trainers: Two (Prashant Verma , Amit Kumar)

Overview: A workshop entitled 'Embedded Systems in Bio-Medical Instrumentation' has been organized to provide exhaustive hands on training on Embedded Systems designed to measure and detect various health parameters using some sophisticated bio-medical sensors. This is really required for a country like India to meet the needs of health and wellness sector. This course would groom the student's knowledge and experience on the role of embedded systems in rapidly growing health and wellness sector in India.

Participants Profile: The workshop was open for all the pre-final and final year students of different streams. A total of 27 students majorly from EEE, ECE & CSE streams had participated in the workshop.

Training Module: Both theory as well as practical sessions were conducted.

Theory

- Introduction to Embedded System
- Introduction to Bio-Medical Instrumentation
- Facts and Figures about the growing demand of Health & Wellness devices
- Biomedical Sensors and their working principle
- Concept of Smart Gloves

Hands-on

- Interfacing flex sensor with microcontroller
- Reading multiple flex sensors to identify a particular hand gesture

Feedback: All the students expressed their gratitude to the trainers as well as the staff for conducting such practical oriented workshop and creating awareness on recent trends in Embedded systems in Bio-Medical Instrumentation.

Future Perspectives: The Department of Electrical & Electronics Engineering is looking forward to organize more practical oriented workshops on such fields in near future.

Report Submitted By: Mr. Vikrant Verma

Designation: Assistant Professor

Department: Electrical & Electronics Engineering

Report on Workshop Conducted

Title: Two days Workshop on "Embedded Systems"

Date: 16-17 March, 2015

Duration: 4 + 2 hours per day (Theory + Practical)

Venue: Department of Electrical & Electronics Engineering, BRCM-CET, Bahal (Haryana)

Conducted By: Embedded Solutions, Ambala, Haryana

No. of Trainers: Two

Overview: A workshop on Embedded Systems has been organized to provide exhaustive hands on training on Embedded Systems designed to meet the industry needs and provide students with placements. This course would provide the participants knowledge and experience on the fast growing field of Embedded Technology.

Participants Profile: The workshop was open for all the pre-final and final year students of different streams. A total of 48 students majorly from EEE, ECE & CSE streams had participated in the workshop.

Training Module: Both theory as well as practical sessions were conducted.

Theory

- Introduction to Embedded System
- Applications and Future Scope
- Micro – Controllers and its features
- I/ O Ports and Working
- Sensors and Its Interfacing

Hands-on

Basic Interfacings

- How to Glow an LED?
- How to play a sound using Buzzer?
- How to interface a sensor?

LCD Display

- Interface LCD with a micro controller

Weather Monitoring

- Read Temperature through Sensors
- Display Sensor Temperature
- Control Appliance based on Temperature

Feedback: All the students expressed their gratitude to the trainers as well as staff for conducting such practical oriented workshop and creating awareness on recent trends in Embedded systems.

Future Perspectives: The Department of Electrical & Electronics Engineering is looking forward to organize more practical oriented workshops on such fields in near future.

Report Submitted By: Mr. Vikrant Verma

Designation: Assistant Professor

Department: Electrical & Electronics Engineering
