Dear Vikash,

Further to my conversation today with you, please resend details as per the application form, which I am resending to you.

Each student is to correctly fill in the Form and attach scanned/photocopies of all academic results (X to present Semester) & recent photograph.

In addition, they have to fill in details of Tech projects done at BRCM CET & tech Seminars they have participated in.

They also have to indicate which 'areas of interest' and the names of NJIT Professors under whom they wish to study the topic (for this they have to visit the NJIT website).

Finally, do send me names and details **ONLY** of those students who fulfill the eligibility criteria (in all respects).

**Do treat this as URGENT** as we are already very late with the applications.

All the above must reach me, latest, by Tuesday (11th Feb) morning.

Regards,

Clayton M Moses

Dear Mr Moses,

*Thank you very much for sharing wonderful opportunity with us for our students. I regret to tell you that we are not able to send any student this time from Bahal for NJIT 2020 Summer Program.*

As per our telephonic conversation 4-5 students were interested for NJIT-2020 program. But they are not fulfilling the eligibility criteria.

*I am sincerely grateful for your time and consideration. I hope we will find a good number for next time to send students for NJIT Summer Training Program from BRCM Bahal.*

*Feel free to give me a call if you have any query*

*Thanks & Regards,*
