REPORT
ON

Technical paper presentation

Electrical and Electronics Engineering Department has organized a technical paper presentation on different **topics related to 'recent trends on electrical machine and measuring instruments'** on 22-nov-.2017. The aim of this program to guidelines the student

- Know how long the speech must be.
 - Know how many points you're required to cover.
 - Know if you must include sources or visuals.
- In presentation twenty candidates has presented their papers.
Mr.Sahil received award of best presenter in this event.

Memorandum of Understanding (MOU)

Electrical & Electronics Engineering Society (EEES)

BRCM College of Engineering & Technology, Bahal, Bhiwani, Haryana-127028

And

Twenty19

13 Chinnaswamy Naidu Layout, Lakshmiapuram, Peelamedu, Coimbatore - 641004
Tamil Nadu, India

This Memorandum of Understanding (MOU) sets for the terms and understanding between the EEES and the Twenty19 to be Student Internship Partner for National Level Online fest DigiInGo -2017

Purpose

- This MOU will help to attract many young talents to perform in a common platform from various parts of the country with full zeal and enthusiasm.
- This will bridge the relationship between college and corporate.
- This will help students to get internship/training through a premier organization.
- It will also motivate the undergraduate students throughout the country to compete at national level.
- It will help to reach out millions of students throughout the nation.

The above goals will be accomplished by undertaking the following activities:

Deliverables

• Twenty19:-

1. Twenty19 will promote the event in all their social media sites and help to reach out to a wide array of student audiences to participate in the events organized.
2. Twenty19 will exclusively feature the event in their platform and enlist the event as their partnered events
3. Twenty19 will support the event and will highlight it in 2 weekly email alerts to their subscribers
4. All the Flagship Events can be posted separately on their platform.
5. Twenty19 will provide the event with "Exclusive E- learning Discount Coupons" for their premium online courses worth more than 2 lakhs for all the fest winners.

H.O.D
Deptt. of Electrical & Electronics Engg.
BRCM College of Engineering & Technology
Bahal (Bhiwani)

• Electrical & Electronics Engineering Society (EEES)

1. Acknowledge Twenty19 as a "Student Internship Partner" with Twenty19's logo on event's website with a backlink to twenty19, offline and online promotional materials and Facebook page/Group till the end of event.

2. Share the Name and e-mail ID of student registrations of this event, after the event ends.

Duration

This MOU is at-will and may be modified by mutual consent of partners. This MOU shall become effective upon signature by the authorized officials from the partners and will remain in effect until modified or terminated by any one of the partners by mutual consent.

Innovation in Teaching Methods

- **Creative Teaching**:- We are using creative teaching tools to stimulate creativity. These tools are like:- animation creating application for android and desktop, Simulation software (MAT-Lab, OR-CAD etc.)
- **Audio and video tools**:- Incorporating video-visual material in our session. We are having videos created by NPTEL, Kretext classes.
- **Regular brainstorming session**:- We are taking test on regular basis to get numerous ideas on single topics.
- **Classes outside the classes**:- We will take the students to actually running project location. It will enhance the individual concept about their study. These location will be like:- Electrical Distribution Network center, Solar power generation units etc.

Laboratory session:- Motivating Students to participate in lab work and live projects to get innovative ideas in engineering sector.

Extra classes:- Organizing extra classes by experts for competition like GATE, UPSC and PSU examination.
