Chairman’s Message

No doubt, Education is just a spark intended to ignite the minds and inflame the intellect. BRCM institutions nurtures the essence of growth in education and its holistic approach focuses on overall development of its student to keep them abreast with ever-changing scenario of educational arena.

I feel very happy to know that all institutions are playing a cascading role in the career of students by inculcating the human values of love, dedication, sincerity and hard work.

I deeply appreciate the tireless efforts made by the editorial board in bringing out the First Edition of newsletter of BRCM Education Society, ‘SAMAGRA SHIKSHA’.

Through this Newsletter - I extend my warm wishes to my fellow Trustees, Principals, Staff members, Parents and Well-wishers of the BRCM Group of Institutions and hope we continue this journey on the road to excellence. My heart fills with pride and pleasure to have a team of very dedicated people working relentlessly towards making these institutions the finest in the country!

H.K. Chaudhary

Director’s Message

“Thinking is easy, acting is difficult, and to put one’s thoughts into action is the most difficult thing in the world.”

– Goethe

It is quite heartening to note that the editorial board of SAMAGRA SHIKSHA is going to publish its first issue. It is needless to mention the utility and need of such an important publication as it reflects the academic atmosphere, competitive culture and growth oriented curriculum in all institutions under BRCM Education Society. I am proud to be associated with BRCM Group of Institutions which promotes education, culture and heritage religiously amongst students and staff of all Institutions.

I congratulate the Editorial Board and all the member for their efforts in bringing out the First Edition of SAMAGRA SHIKSHA.

I wish a grand success to SAMAGRA SHIKSHA.

Ballaram Hanumandas Charitable Trust, Kolkata (BHCT), founded in the year 1977, headed by Shri Hari Krishna Chaudhary, is a CSR project of Vikram-Pratibha Group of Industries. The Trust is set up with an objective of transforming the much deprived rural area surrounding the Chaudhary family’s ancestral village Bahal, (District Bhiwani), in Haryana, 30 Km North of Pilani.

BHCT undertakes a number of welfare programs aimed at improving the quality of life of communities in and around Bahal actively contributing towards conservation of public parks, holy places & playgrounds, providing affordable tertiary health care facilities, conducting special eye care and general health check-up camps, spreading environmental awareness by facilitating major tree plantation drives, promoting use of new & renewable energy, spreading awareness about water conservation, rainwater harvesting & use of drip irrigation systems and finding proper solutions to sewage & solid waste management of village Bahal.

As responsible citizens, the founders of BHCT firmly believed that providing quality education will result in overall growth of this region. A small but visionary effort has now turned this remote village into an Oasis of Learning spread over 100 acres in three different Campuses. BHCT heralded its educational initiatives through BRCM Education Society, which celebrated its Silver Jubilee recently.

The education society established BRCM Public School, Gyankunj, in 1987, catering to the need for high-quality English-medium schooling, for around 100 villages surrounding Bahal. Subsequently, BRCM Public School, Vidyagram, a premier Residential School, from class IV to XII, was established to provide for all educational needs of students in a boarding set up. The School affiliated to CBSE, is a member of the Indian Public School Conference (IPSC) and has students from all over India and abroad.

In August 1999, BHCT ventured into the field of providing technical education by establishing BRCM College of Engineering and Technology (BRCM-CET), duly approved by the AICTE & Government of Haryana, is permanently affiliated to M.D. University, Rohtak, for 4-year B.E. & M.Tech courses in CSE, ECE, ME, IT,EEE & Civil Engineering.

GDC Memorial College is a recent addition to our educational pursuits, which started its first session in 2011-2012 aiming to provide quality degree level education to the youth of this rural area & specifically targeting the girl students who stop their studies for lack of proper facilities. Presently the college is offering BA, B.Com, B.Sc., B.Sc.
