

# 8<sup>th</sup> CONVOCAATION

12th April 2014

## Souvenir

ISO-9001:2008 Certified Institute

**BRCM College of Engineering & Technology**  
**Bahal (Bhiwani), Haryana**

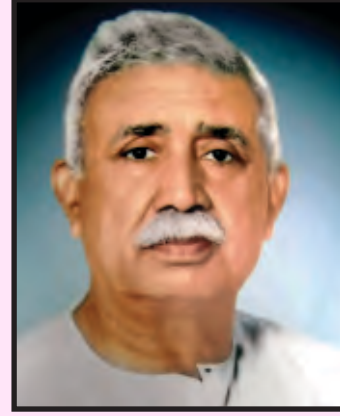

# *The Founders of BRCM*

कर्मण्येवाधिकारस्ते मा फलेषु कदाचन।  
मा कर्मफलहेतुभूर्मा ते संङ्गऽस्त्वकर्मणि॥

**Shri Ballaram Chaudhary**  
(1874-1949)

“There is nothing more primeval than the child... That endlessly reborn to man through the ages and yet he is new and tender, as innocent and sweet as he was on the very first day.”

**Shri Chhogmal Chaudhary**  
(1921-2006)

**Sh. H. K. Chaudhary**

## **BRCM's Legacy**

The family of late Shri Ballaram Chaudhary and Shri Chhogmal Chaudhary has always held education close to their hearts, believing firmly that only the creation of world class education facilities can help the society to progress and break free from the ills that plague it. The founders of BRCM are aiming to create an ideal "Centre of Excellence". Keeping in mind the best moral, ethical and cultural values. All the required facilities, infrastructure and human resources are being created to enable the students to excel in their respective streams. Our aim is to match the high standards set by other leading institutions in our country as well as those situated abroad. We assure all students that BRCM Education Society and College Management will leave no stone unturned in providing them quality and excellence in education.

The Chairman of the Trust Shri Hari Krishna Chaudhary inherited the salubrious and benevolent legacy from his august forefathers whose names are christened in BRCM. They were men of lofty ideals and uncompromising upholders of the liberty of individual conscience. He has contributed his mite to realize the intellectual dreams of the Chaudhary family for invigorating the education progress in the area. His avowed mission is to enlighten and visualize the pedantic capabilities of the young minds and widen the horizons of thoughts and feelings which had hitherto stayed unexplored for want of good education facilities in Bahal and the surrounding areas.

# Vision

“Tapping, nurturing and harnessing of latent talents for empowerment towards self-actualization in all technical domains - both existing and futuristic”.

# Mission

To develop BRCM College of Engineering & Technology into a "Centre of Excellence" in the field of technical education by:

- Providing state-of-the-art laboratories, workshops, research and instructional facilities;
- Encouraging students to delve into technical pursuits beyond the curriculum;
- Post-graduate teaching and research;
- Creating an environment for all round integrated personality development of students suited for the era of converging technologies and skills.

# Goal

Our goal is "value based education" which is the embodiment of 'Devotion', 'Knowledge' and 'Duty' (Karma) amalgamating scientific pursuits. At BRCM, we aim to inculcate these three qualities in our students which are fundamental to their holistic growth - academic, economic and cultural. We believe that ethics and aesthetics are an integral part of human life and as such each of our students are groomed to personify excellence in everything they do in life.

## Our Chief Guest

### Shri H. S. Chahal

Vice-Chancellor  
Maharshi Dayanand University  
Rohtak (Haryana) India

Er. H.S. Chahal is currently Vice Chancellor of Maharshi Dayanand University, Rohtak. He is Founder Vice Chancellor of Deenbandhu Chhotu Ram University of Science and Technology, Murthal.

Er. Har Sarup Chahal is from a small hamlet Nimri in Bhiwani District of Haryana. He completed schooling from Jat Heroes Memorial Anglo Sanskrit Higher Secondary School, Rohtak. He belongs to a family of academicians. His father was a renowned Headmaster of Jat School and Vaish School Rohtak, who was conferred State Award for Teachers by Govt. of Punjab. He graduated in Civil Engineering and obtained Post Graduate Diploma in Highway Engineering from the coveted Punjab Engineering College, Chandigarh with First class First Position.

Er. H. S. Chahal was first selected as Lecturer in Regional Engg. College, Kurukshetra but later joined Haryana Irrigation Department. Er. Chahal topped the list of selected candidates of Haryana Public Service Commission and made his career in Haryana Public Works Department (Buildings & Roads) where he rose from an Assistant Engineer to the highest rank of Engineer-in-Chief. Er. Chahal was also Managing Director of Haryana State Roads & Bridges Development Corporation and General Manager in National Highways Authority of India.

In his Engineering career of 37 years he successfully completed many mega projects of Haryana PWD, Delhi Development Authority and National Highways Authority of India; namely Mini Secretariat at Gurgaon, Haryana Bhawan at New Delhi, Player's Building at Indira Gandhi Stadium, I. P. Estate, New Delhi (presently housing Delhi Govt. Sectt.), National Highway Development Programme of NHAI in the States of West Bengal, Jharkhand, Rajasthan, Haryana and Andhra Pradesh.

Er. Chahal, a renowned "Highway Engineer", was Council Member and Vice President of Indian Roads Congress - a body which sets Standards & Specifications for road construction in the country. He is a member of Rigid Pavement Committee and Highway Planning, Transportation and Road Safety Committee of Indian Roads Congress. He is a Fellow of Institution of Engineers (India). He is on the Boards of Directors of WARCO's (Ministry of Water Resources. G.O.I.). He has authored many technical papers on Road safety in Indian and foreign journals.

He is a sportsman making strides in Badminton and Lawn Tennis. A keen golfer who achieved 'Hole- in -One' at Panchkula Golf Club.

He is a person with vision and dynamism. He is not only a real technocrat & true academician but also sensitive towards social responsibilities.

# Message

*I am glad to know that BRCM College of Engineering and Technology, Bahal (Haryana) is holding its 8th convocation on April 12, 2014 and that a Souvenir is also being brought out to commemorate the event.*

*Convocation is a solemn occasion that confers recognition to the new graduates/post graduates. It inspires them to give their best to the society when they enter in public life. On this day, they should take a pledge to use the knowledge gained in this college in the field of Engineering & Technology for the benefit of the society.*

*The institute is continuously striving to provide the much needed quality to prepare the Engineers to take on the upcoming challenges and opportunities emerging in the modern world.*

*I congratulate the College Management, staff and the students on this occasion and further wish this historic event a grand success. I also pray for a bright future to the passing out students.*

**H. S. Chahal**

# The Guest of Honour

**Dr. R. S. Jaglan**

**Registrar  
Guru Jambheshwar University of  
Science & Technology  
Hisar (Haryana), India**

## Message

My best wishes to all the readers through this Souvenir that BRCM College of Engineering and Technology, Bahal is publishing its 8th Convocation Souvenir on 12 April 2014. I have always found that since its inception, the college is constantly moving for excellence through its academic excellence and has attained a respectable position in the field of Engineering and Technology on the scholastic map of this region.

I congratulate all the engineers who have completed their degree with flying colours. I wish all the best to the young graduates for their prospective careers. Many of them might already have got placements considering the acumen they must have attained by having been fortunate enough to have specialized education in one of the best engineering college of this region. I would exhort all of them through this souvenir message to excel in their respective fields and to touch the desirable heights.

I also congratulate all the teachers, members of the management, non-academic fraternity and the families of the graduates for successfully accomplishing their roles, which has led to this cherishing graduating ceremony.

**R. S. Jaglan**

# Message

It gives me great pleasure to know that BRCM College of Engineering & Technology, Bahal (Bhiwani) is organizing its 8th convocation on 12th April, 2014 and a souvenir is being brought out to mark the occasion.

BRCM College of Engineering & Technology has been set up aiming at imparting high quality education and professional training to its students to make them world class Engineers with innovative ideas and foresight to meet the future changes. I am confident that the college is making genuine efforts to meet this end.

On the prestigious occasion of 8th Convocation of BRCM College, I extend my heartiest congratulations to the young graduates who have been conferred Degrees. I hope that they would emerge successful in this era of globalization in which they are now going to enter after receiving their degrees. I also convey my best wishes to the Faculty of the college for assisting all the students in their fields.

I wish the Convocation a great success and bright future to the new graduates.

(Jagannath Pahadia)

## Message

It gives me great pleasure to know that BRCM college of Engineering & Technology, vidyagram, VPO Bahal Distt. Bhiwani is organizing its 8th convocation on 12th April, 2014 and a Souvenir is being brought out to mark the occasion.

The college has done an impressive service to the cause of Technical Education in Haryana in a short span of time. I am sure that it would continue to impart quality education to its students and enable them to become leaders in their respective fields of activity. Convocation is indeed a pious occasion when the Alma mater bestows degrees on its students in recognition of the successful completion of their courses of study.

The present success will further instil in them a sense of confidence to embark on journeys in the ever-expanding realm of life's activity.

I wish them all success in their personal and professional careers.

A handwritten signature in blue ink, appearing to be 'D.D.S. Sandhu'.

It is a matter of pleasure that 8th Convocation of BRCM College of Engineering & Technology is being organized on 12th April 2014 and a souvenir is also being brought out to mark the occasion.

BRCM College of Engineering & Technology is one of the premier Engineering Colleges in Haryana, which has been rendering quality education. Such educational institutions are playing a significant role in shaping the destiny of our future generation and dispelling the darkness of illiteracy and infusing a sense of patriotism and discipline among the students.

The occasion of convocation is a memorable day in the life of the students and equally an eagerly looked forward event for the Institution Administration. I congratulate the entire fraternity of the College on this happy occasion and send my good wishes to the College for its all-round progress and growth in future.

It is a matter of great pleasure for me to learn that our BRCM College of Engineering & Technology is organizing its 8th Convocation. This college has made an illustrious mark in the academic map of this region and we have been a witness that this marvelous institution has produced wonderful technocrats and human beings. I believe this college shall make further strides in the intellectual world through the present batch who are to be conferred degrees in the convocation upon becoming graduates. It is another honour for them to receive their graduation certification from Hon'ble Er. H.S. Chahal, the Vice-Chancellor of the conferring University. It is also a matter of delight that the college has decided to publish a souvenir to make this pious occasion an ever memorable event.

I would like to congratulate all the recipients of graduation degrees. This must be truly a moment of great joy and accomplishment in their life. Though studentship is a never-ending process as we continue to learn new things whole life, nevertheless they have attained a very important milestone from where they will enter into a new domain of their lives. They will take up new roles by moving into the factual world with all its challenges and complexities. I wish they may have wisdom to seize the opportunities and move forward! I also exhort you to remain compassionate all through your life and do wonderfully well for uplifting and developing the nation and all your brotherhood.

On this very special occasion I also congratulate Principal B.C. Sharma and all learned faculty members for ensuring that all their students attain their degrees with flying colours. I also pray from the Almighty to shower His choicest blessing upon all the young graduates.

Wishing you all a very bright future.

It's a matter of privilege that BRCM College of Engineering and Technology is going to release a souvenir on its Eighth Convocation. This occasion is another milestone in the history of BRCM towards achieving its goal of enlightening the lives of people with eternal light of education.

Today's young engineers who are keen on a challenge and suitably rewarding career opportunity from all over the globe are supposed to possess multifaceted personality with several attributes and professional skills & abilities to meet the professional challenges anywhere in the world. BRCM CET has been the crest jewel in the educational map of our country that provides education which is just beyond academic knowledge. College management has put its heart and soul to ensure all round development of students inspired to imbibe Indian values and scientific temperament in each student. The main thrust of the college has been to achieve human excellence, to shape the personality of students through a host of extra-curricular and co-curricular activities and instilling in them the moral values.

This is the moment to mark a job well done, a time to celebrate the efforts and accomplishments of our students as well as hard work of faculty. The fruition of values, the discipline and social consciousness which I believe were taught throughout these years to graduates is now ready to bloom and spread its fragrance all over, in the country and beyond.

I wish all the graduating students a very bright future in their life. Your progress is our progress and it will be a great source of satisfaction for BRCM.

Best wishes.

This indeed is a historical event for BRCM College of Engineering and Technology , Bahal to hold its Eighth Convocation. BRCM is unique in its foundation, composition and form. BRCM started as a dream of instituting a center of highest learning and excellence in India, specially in Haryana. BRCM team has worked with missionary zeal to take this dream to reality. Today we are witnessing a culmination of another milestone of holding our Eighth Convocation in our own facility.

The students who are graduating today have witnessed exponential growth, they have seen a concept coming to reality of a distinguish institution adding enormous value to society. On this auspicious occasion I would like to express my heartiest congratulation and facilitation to all the graduating students and their proud families. I know most of you are already employed with successful careers and hope that education at BRCM has ornamented your personal profile for better opportunities and has extended your horizon. We tried to inculcate the spirit of nation building in you and to arm you with the tools to become guiding lights for others.

At BRCM our goal has been more than teaching technology and its management - we aim to light up the fire of original thinking and passion for service to our beloved nation within each student. I hope we were successful. We will find the answer in your achievements.

BRCM College is a radiant example of the possible success that results from honesty, dedication, hard-work and purity of cause. BRCM provides education, which is beyond 'just academic knowledge'. The institution supports intellectual and personal growth of students, preparing them to become transformational leaders and citizens with sound ethical sense of values. Support from the sister concerns makes it unique institution in the country.

A word of advice to the graduating students of 2012 and 2013 is that you have undoubtedly achieved success today, but your success will be measured by your ability to address challenges that you will face in your professional life. Towards that end hone your problem solving skills, sharpen your enquiring mind, be a good team player and develop a positive attitude.

I am confident that you will prepare for a future of opportunities and take on a world of infinite possibilities.

It is a matter of great pride for me to learn that BRCM is holding its Eighth Convocation on April 12, 2014 and a Souvenir is also being brought out to commemorate this grand moment. I like to congratulate the graduated students for their achievements and extend my felicitation to all college staff and authorities as well.

Today the students will graduate, we want to see pride in the students and we want the student to selflessly devote their energies to nation building. For us, the elegant grace we have imparted in our students at BRCM, so with your attitude, devotion and hard work you must keep yourself twinkling and shining. May the almighty guide you in your future endeavors and may you reach new heights.

We are proud of you and your accomplishments. We're confident that you will continue with even more successes.

I hope you will return to the college often and let us know about your work, your scholarship and practice, so that we can celebrate your success with you.

You dreamt, you believed, you strived and you achieved. You are an inspiration to all of us. Well done. Congratulations on your Graduation.

My best wishes to all the readers through this Souvenir that BRCM College of Engineering and Technology, Bahal is publishing its 8th Convocation Souvenir on 12 April 2014. I have always found that since its inception, the college is constantly moving for excellence through its academic excellence and has attained a respectable position in the field of Engineering and Technology on the scholastic map of this region.

We are united today by a shared sense of pride in achievement. We have always tried to give the best academic environment to the students with extra-curricular activities for all round development of the total personality of our students so that they can meet the challenges of life in future. It is the beginning of another voyage- a voyage that needs more patience, sacrifice, courage, dedication and determination. These virtues should be the components of your vessel to sail on the ocean of higher wisdom.

My greetings and best wishes for all the students for their successful future.

It is a matter of great pride & pleasure that BRCM College of Engineering and Technology is holding its 8th Convocation on 12th April 2014 and a Souvenir is being published to commemorate the august occasion. I congratulate the team of faculty & staff members who have contributed to bring out this Convocation Souvenir. The convocation serves as a solemn occasion for the students who are about to battle it out in real competitive world and this is their last formal occasion in BRCM-CET Campus.

In 1999, we started out with a dream in our heart to have a professional education programme for students. Now, the College has expanded its horizons and offers four-year Under Graduate Programmes in Engineering as well as two year Post-Graduate Programmes. The college is striving towards greater heights with its teamwork and concerted efforts. It is the individual and collective contribution of each member in achieving this milestone with a great sense of satisfaction and fulfillment. The students imbibe qualities of an excellent teacher and researcher to set academic standards. We visualize that the College will grow in pursuit of higher standards of teaching, research and give shape to our dreams.

To our Graduates, remember that your newly harnessed values, knowledge and skills shall comprise the building blocks of our society. The choices you make, the relationships you cultivate, the attitudes you bring to College and work, these erect the pillars and walls of our rising nation. Keep working hard and create excellence in your profession, you will surely be successful.

I take this opportunity to congratulate the Graduates for successful future in their professional and personal lives and wish the 8th convocation a grand success.

## Message

I feel extremely pleased and proud to place this exclusive issue of the "SOUVENIR" published on the auspicious occasion of the 8th Convocation of BRCM College of Engineering & Technology to be held on 12th April, 2014 in the pious hands of Sh. H. S Chahal the worthy Vice Chancellor, M. D. University, Rohtak and the community at large who have been associated with us in the past as well as today.

It is a matter of great delight that the degrees to the qualified engineers shall be conferred by none other than the esteemed Vice Chancellor Shri H. S. Chahal who himself is a renowned engineer, a great visionary and a recognized name in the field of education. The young graduates are much fortunate to receive their degrees from such an illuminating personality coupled with his blessings.

I congratulate and thank all the alumni, staff members, local community leaders, students and staff members, who have contributed their valuable creations for publication in this issue. I also take this opportunity to appreciate the strenuous efforts made by the editorial board constituted for this task. I hope this land mark document will prove to be an enlightening and intellectual treat to all readers.

I convey my good wishes to all the readers and wish them a happy and enjoyable reading.

# Centre for Corporate Relation & Placement

At BRCM-CET, our goal is to have an impact not only on the skills and knowledge that our graduates will contribute to their jobs but also on their values, attitude and character. We are committed to provide our students a transformational educational experience. We offer intelligent rigor, strong sense of community and all the excitement and opportunity to face the business challenges ahead.

Training and Placement Cell in the institute plays a vital role and is becoming a key department of the Institute. The T & P Office exists for quite a long time and is performing activities to implant training for students and inviting various organizations for campus recruitment.

## NJIT, Newark (USA) Summer Training Program

BRCM-CET sends its selected students on merit basis every year for 6-week summer training program at NJIT, Newark (USA). In this program the students work on various leading projects under the supervision of dynamic and experienced guides at NJIT (USA).

## Corporate Affairs Activities

BRCM-CET has close relationship with leading organizations to provide the necessary interaction to students with expert engineers/professionals. The training and placement cell provide assistance to all students in different ways like: Internship , Corporate Training, Industrial Visit, Guest Lectures, etc.

## Entrepreneurship Development Cell (EDC)

The objective of the EDC is creating, fostering and promoting the spirit of entrepreneurship among the students and motivate for entrepreneurship and self-employment as an attractive and viable career option by organizing various events like business plan contests, case studies, business quizzes, solutions to social entrepreneurship issues, etc. The college also aims at setting up an 'incubation Centre' for aiding the students who have marketable ideas and projects and aspire to start their own ventures.

## Employability Skill Enhancement Program: AquSkills

AquSkills transpires from Acquire Skills. The prime objective of Aquskills is to improve employability quotient of graduate students. BRCM-CET has forged collaboration / alliance with Aquskills to design market need driven training program. Further, the content delivery mechanism of Aquskills is supported by competitive faculty members, state-of-the-art IT infrastructure and corporate interaction interface.

## Major Recruiters for Training and Placement

Hero Honda, Sonalika, HMT, Jindal Stainless, LPS, Trenchless, Hind Hydraulics, Bull Smart, LeLogix, JBM, Kamdhenu Steels., D.S. Group, Bharti Telenet, HFCL, PCL, CEDTI, ABB, MTNL, BSNL, AIR, Alcatel, Riya Infotel, Spectrum, CMC Ltd., HCL Solcum, Nexus Engiconsults, Unitechnosys, Unit Nexus, GNG Group, Sahasra Sambhav, ERUDITE, BHEL, NTPC, Indian Railway, LG Electronics, Electrolux, Tata Steel, Jindal Industries, CEERI, Indo Simon, Remson Appliances, DRDO, SCL, Zenith, Riken Infosys Software, Tech.
