General Code of Conduct and Discipline Rules for Students

Foreword:

The College expects its students to be responsible individuals who will seek advice when they need it but who are capable of managing their own affairs. The Faculty assumes that all students come to the college for a serious purpose and that they will conform cheerfully to such regulations as may necessarily be made by the Faculty, the college Management or the affiliating University from time to time for the efficient administration of the college. Students are expected to behave with decorum, obey the rules and regulations and pay due respect to the members of the Staff.

These regulations are framed not to restrict the conduct of the individuals or group of students. They simply set forth the basic policies established by the College in order that a large number of the students may live and work together in harmony. By the same token, even though the following regulations are neither detailed nor comprehensive, a student may be expelled from the College or may be subjected to other disciplinary action for conduct which is illegal, immoral or against the best interest of the College. This holds whether or not a particular offence is included in these regulations. Unethical or undesired conduct which is inconsistent with general good order, whenever it may occur, will be held to be sufficient ground for dismissal.

General Code of Conduct:

1. ERADICATION OF RAGGING: While the College encourages all students to mix freely, live and work together in harmony, ragging in any form is strictly forbidden. Any student indulging in ragging will be immediately expelled from the Hostel and will be subject to disciplinary action which may culminate in his/her expulsion from the College as well. It may also be noted that as per the Supreme Court orders ragging in any form is a cognizable offence. It is mandatory and legally binding for the College administration to report each Incident of ragging to the Police for taking appropriate action under the Law.

2. Important: If any student is forced to leave the College as a result of ragging, intimidation, harassment, coercion, threat, extortion, physical assault by any other student(s) and his/her seat remains vacant for the remaining duration of the course, apart from loss of career for the wronged student, it causes heavy financial loss to the College. In such an eventuality the student(s) involved in ragging, harassment, coercion, threat, extortion, assault, etc will be required to make up the entire financial loss caused to the College in the form of Tuition and other fees that would have been paid by the withdrawing student. This shall be without prejudice to the other disciplinary action that may be taken against defaulting student under the College rules.

3. BRCM Education Society, the Faculty and College Management feel greatly concerned about the habit of alcoholism spreading among the youth. In our endeavour to stem this degeneration the BRCM students are strictly forbidden to take alcoholic drinks, drugs or any kind of intoxicants within the College/Hostel premises or to enter BRCM Campus after consuming the same outside. Students taking admission in BRCM-CET have to strictly abide by this policy and honour the ethos and sentiments of the Trust and the Management. No relaxation/leniency will be shown if the above rule/policy is violated. If found in a drunken state in the Campus or in possession of drugs, alcohol (including Beer) or other intoxicants, the concerned student will be made liable for strict disciplinary action which may culminate in his/her expulsion/rustication from the College/Hostel. The decision of the College Medical Officer regarding the state of drunkenness or intoxication shall be final and binding.
4. It is the aim of Faculty to administer discipline of the College so as to maintain high standard of integrity and a scrupulous regard for the truth. The attempt of any student to present any work which he has not honestly performed himself or to pass any examination with improper means, renders the offender liable to immediate expulsion. Aiding and abetting of a student in any dishonest way will be taken as a grave breach of discipline.
