## Chairman's Message

With the grace of God and blessings of our well-wisher's, various institutions managed by BRCM Education Society have been delivering education to all ages of young minds in various fields of education in our institutions with vision to educate youth from all walks of life to become perfect professionals and worthy citizens of the country. I am indeed delighted to extend my Greetings and Best Wishes to all our students, Well Wishers and BRCM Family Members through “XLII Edition of “Samagra Shiksha.”

Today, the world is looking at us, as we have the treasure full of talent with creative ideas, innovative skills, willingness & passion. Experiential learning is the need of the hour for the all round development of a child and we must long for Holistic Development of a child. We believe in value based education and Parents are to impart “Sanskar” to their children that define the moral and ethical character of a human being and gaining it at an early stage in life, could create a strong character.

BRCM ES pledges to give a plethora of opportunities to the students to hone their skills. Our aim is to instil confidence, knowledge, and resilience in our students through cutting-edge education including aligning with AI, Make in Make in India, Digital India, etc,

In coming days the country will have the opportunity to “Vote”. Voting in democracy is of utmost importance as it lets citizens to choose their representatives in forming the government of their choice & hold the elected leaders accountable. Our students can make their parents aware about the same and in the due course of time they will be eligible to Vote.

I would like to extend my best wishes to all the students and believe that each child/students in his/her own way will bring laurel to all our institutions and the country at large. I appreciate to the editorial board for putting their best efforts in bringing out this edition.

Good luck and God bless you all.

### Research Activities

The research activities of BRCM CET for the first quarter of 2024 are as follows:

#### Books Published

- ❖ Dr. Anuj Kumar Sharma, Principal, published a book entitled **“Optimized Predictive Models in Health Care Using Machine Learning”**, ISBN: 978-1-394-17462-1, in February 2024.

#### Book Chapters Published

- ❖ Dr. Anil Kumar, Associate Professor in Mechanical Engineering published a book chapter entitled **“Controlled Oxide Deposition Improves Mechanical and Biomedical Applications of Titanium Alloy”** in the book **“Additive Manufacturing of Bio-implants: Design and Synthesis”** in the month of January. This book has been published by Springer and is part of the book series **“Biomedical Materials for Multi-functional Applications (BMMA).”**

#### Research Papers Published

- ❖ Mr. Rajnish Kumar, Assistant Professor in Electrical Engineering, published a research paper entitled **“Numerical Modeling and Performance Assessment of Machine Learning Based Solar Photovoltaic Energy Forecasting System”** in International Conference on **“Power Engineering and Intelligent Systems”** in Springer Link.
- ❖ Dr. Vivek Kumar, Professor in Electrical Engineering, published a research paper entitled **“Optimal Sizing and Cost Assessment of Solar Wind and Hydro Hybrid Energy System”** in IJSTM, ISSN 2321-774X, Volume 2-Issue 31.
- ❖ Dr. Vivek Kumar, Professor in Electrical Engineering department published a research paper on topic **“Hybrid Electric Vehicle”** IJSTM, ISSN 2347/2693X, Volume 2-Issue 31.
- ❖ Mr. Ashanand, Assistant Professor in Electrical Engineering, published a research paper entitled **“Hybrid Electric Vehicle”** IJSTM, ISSN 2347/2693X, Volume 2-Issue 31.

### Research Paper Review

- ❖ Mr. Ashanand, Assistant Professor in Electrical Engineering, reviewed a research paper entitled **“e-Prime Advances in Electrical Engineering, Electronics and Energy”** on 16.01.2024 from Scopus Indexed Journal **Elsevier**, having 1.5 Cite score, ISSN Number: 2772-6711.
- ❖ Mr. Ashanand, Assistant Professor in Electrical Engineering, reviewed a research paper entitled **“Computer in Biology and Medicine”** from an SCI/Scopus Journal with an impact factor of 7.7 on 22.02.2024.

### Design Patents

- ❖ Ms. Suruchi, Assistant Professor in Computer Science & Engineering published a Design Patent entitled **“Futuristic Ai-Enhanced Air Purifier for Next-Generation indoor Environmental Solutions”** on 16.01.2024.
- ❖ Dr. Jitendra Gaur, Associate Professor in Physics, in collaboration with Prof. Anita Dalal, Assistant Professor in EVS, Prof. Sunita, Assistant Professor in Mathematics and Dr. Vivek Kumar, Professor in Electrical Engineering, published a patent entitled **“Agriculture Drone for Crop Health Monitoring”** with design number 6335830, authorized by the UK Patent Office, on 12.02.2024.
- ❖ Dr. Vivek Kumar, Professor in Electrical Engineering in collaboration with Prof. Ashanand, Assistant Professor in Electrical Engineering, Prof. Rajnish, Assistant Professor in Electrical Engineering, and Prof. Kuldeep Sharma, Assistant Professor in Electrical Engineering published a patent entitled **“IoT Based Battery Monitoring System for Electric Vehicle”** with design number 402557-001, authorized by the Patent Office, Government of India, on 02.02.2024.
- ❖ Dr. Jitendra Gaur, Associate Professor of Physics & HoD-Applied Sciences & Humanities, in collaboration with Dr. Vivek Kumar, Professor in Electrical Engineering, certified a patent entitled **“Solar Photovoltaic Based Device for Telecom Tower”** having design number 390097-001. It is authorized by the Patent Office, Government of India, on 8th March, 2024.

## WORKSHOP / WEBINAR /STC/ EXPERT LECTURE ATTENDED:

- ❖ Dr. Vivek Kumar, Professor in Electrical Engineering, attended a one-week FDP on **“The Future of Generative AI in Academic Research and Publishing”** organized by Institute of Engineering and Management Group, Kolkata from 02.01.2024 to 06.01.2024.
- ❖ Dr. Vivek Kumar, Professor in Electrical Engineering, attended a one-day National Seminar on **“Financial Empowerment and Career Opportunities in Financial & Securities Market”** conducted by Aditya College of Engineering and Technology, Surampalem, Andhra Pradesh in association with Association of Mutual Funds in India (AFMI) on 04.01.2024.
- ❖ Dr. Vivek Kumar, Professor in Electrical Engineering, attended a one-week FDP on **“Artificial Intelligence and Generative Models”** organized by Vishwakarma Institute of Technology, Pune, India, from 15.01.2024 to 19.01.2024.
- ❖ All Staff Members in Electrical Engineering department attended a one-week FDP on **“Design and Innovation in Wireless Communication with Advanced Technology”** organized by GATES Institute of Technology, Gooty, Ananthapurmu, India, from 17.01.2024 to 22.01.2024.
- ❖ Mr. Ashanand, Assistant Professor in Electrical Engineering, attended a one-week FDP on **“The Future of Generative AI in Academic Research and Publishing”** organized by Institute of Engineering and Management Group, Kolkata from 02.01.2024 to 06.01.2024.
- ❖ Mr. Ashanand, Assistant Professor in Electrical Engineering, attended a one-day National Seminar on **“Financial Empowerment and Career Opportunities in Financial & Securities Market”** conducted by Aditya College of Engineering and Technology, Surampalem, Andhra Pradesh in collaboration with Association of Mutual Funds in India (AFMI) on 04.01.2024.
- ❖ Mr. Ashanand, Assistant Professor in Electrical Engineering, attended a one-week FDP on **“Artificial Intelligence and Generative Models”** organized by Vishwakarma Institute of Technology, Pune, India, from 15.01.2024 to 19.01.2024.
- ❖ Mr. Kuldeep Sharma, Assistant Professor in Electrical Engineering, attended a one-week FDP on **“The Future of Generative AI in Academic Research and Publishing”** organized by Institute of Engineering and Management Group, Kolkata from 02.01.2024 to 06.01.2024.
- ❖ Mr. Kuldeep Sharma, Assistant Professor in Electrical Engineering, attended a one-week FDP on **“Artificial Intelligence and Generative Models”** organized by Vishwakarma Institute of Technology, Pune, India, from 15.01.2024 to 19.01.2024.
- ❖ Mr. Rajnish, Assistant Professor in Electrical Engineering, attended a one-day National Seminar on **“Financial Empowerment and Career Opportunities in Financial & Securities Market”** conducted by Aditya College of Engineering and Technology, Surampalem, Andhra Pradesh in collaboration with Association of Mutual Funds in India (AFMI) on 04.01.2024.
- ❖ Mr. Nirendra Singh, Assistant Professor in Electrical Engineering, attended a one-week FDP on **“Artificial Intelligence and Generative Models”** organized by Vishwakarma Institute of Technology, Pune, India, from 15.01.2024 to 19.01.2024.
- ❖ Ms. Suruchi, Assistant Professor in Computer Science & Engineering, completed a one-week Online NEP 2020 Orientation & Sensitization Programme under (MM-TTP) of UGC, organized by UGC-MMTTC, M.D. University, Rohtak from 07.01.2024 to 14.01.2024.
- ❖ Ms. Suruchi, Assistant Professor in Computer Science & Engineering, participated in a five-days Online Faculty Development Programme on **“The Future of AI in Academic Research and Publishing”** organized by Institute of Engineering & Management, Kolkata from 02.01.2024 to 06.01.2024.
- ❖ All Staff Members in Electrical Engineering department attended a Webinar on **“Introduction to Safety System”** delivered by Dr. Rodney Jacobs, EIT Lecturer and Senior International Consulting Engineer, organized by Engineering Institute of Technology (EIT), Australia on 17.01.2024.
- ❖ Mr. Amit Kumar, Assistant Professor in Mechanical Engineering, attended a Webinar on **“Financial Improvement Through Wealth Creation”** organized by S.S.M.M. Arts, Science and Commerce College, Maharashtra on 05.01.2024.
- ❖ Mr. Suresh Kumar, Assistant Professor in Mechanical Engineering, attended a Webinar on **“Financial Improvement Through Wealth Creation”** organized by S.S.M.M. Arts, Science and Commerce College, Maharashtra on 05.01.2024.
- ❖ Dr. Vivek Kumar, Professor in Electrical Engineering, attended a one-week FDP on **“Present Scenario of Lighting Sector: Industry 4.0”** organized by Electrical Engineering Department of Gargi Memorial Institute of

to 01.02.2024.

- ❖ All Staff Members in Electrical Engineering, attended a one-week FDP on “**Advanced Technologies in Electrical Engineering**” organized by Electrical and Electronics Engineering Department, Sri Sivasubramaniya Nadar (SSN) College of Engineering Chennai, Tamil Nadu, from 13.02.2024 to 17.02.2024.
- ❖ Mr. Ashanand, Assistant Professor in Electrical Engineering, attended a one-week FDP on “**Present Scenario of Lighting Sector: Industry 4.0**” organized by Electrical Engineering Department of Gargi Memorial Institute of Technology, Balarampur, Kolkata, from 26.01.2024 to 01.02.2024.
- ❖ Mr. Ashanand, Assistant Professor in Electrical Engineering, attended a one-week online FDP on “**Industrial Instrumentation**” organized by National Institute of Technical Teachers Training and Research, Kolkata from 19.02.2024 to 23.02.2024.
- ❖ Mr. Kuldeep Sharma, Assistant Professor in Electrical Engineering, attended a one-week FDP on “**Present Scenario of Lighting Sector: Industry 4.0**” organized by Electrical Engineering Department of Gargi Memorial Institute of Technology, Balarampur, Kolkata from 26.01.2024 to 01.02.2024.
- ❖ Mr. Kuldeep Sharma, Assistant Professor in Electrical Engineering attended a one-week online Short Term Training Programme on “**Technology for Agriculture**” organized by Electronics and Communication Engineering Department, Sant Longowal Institute of Engineering and Technology, Sangrur, Punjab from 05.02.2024 to 09.02.2024.
- ❖ Mr. Nirendra Singh, Assistant Professor in Electrical Engineering, attended a one-week FDP on “**Present Scenario of Lighting Sector: Industry 4.0**” organized by Electrical Engineering Department of Gargi Memorial Institute of Technology, Balarampur, Kolkata, India from 26.01.2024 to 01.02.2024.
- ❖ Ms. Suruchi, Assistant Professor in Computer Science & Engineering, participated in a one-week Online Short Term Training Programme on “**Technology for Agriculture**” organized by the Department of ECE, Sant Longowal Institute of Engineering and Technology, Longowal from 05.02.2024 to 09.02.2024.
- ❖ Ms. Suruchi, Assistant Professor in Computer Science & Engineering, completed a one-week online FDP on “**Empowering Educators: Advancements in Computing Pedagogy**” organized by Department of Artificial Intelligence

Technology, Pune from 12.02.2024 to 17.02.2024.

- ❖ Ms. Jyoti, Assistant Professor in Computer Science & Engineering, participated in the AICTE recognized Online Faculty Development Programme on “**Complex Networks Analysis using Python**” organized by CSE Department, NITTTR, Chandigarh from 15.02.2024 to 19.02.2024.
- ❖ Mr. Amit Ranjan, Assistant Professor in Computer Science & Engineering, completed a one-week online FDP on “**Empowering Educators: Advancements in Computing Pedagogy**” organized by Department of Artificial Intelligence & Data Science, Vishwakarma Institute of Technology, Pune from 12.02.2024 to 17.02.2024.
- ❖ Faculty of Mechanical Engineering Department attended a Science Education Interactive Series on “**IPR & Patent Filing System in India**” organized by Global Innovative Foundation for Transforming Society(GIFTS NGO) on 17.03.2024.
- ❖ Dr. Anil, Associate Professor in Mechanical Engineering and Prof. Amit Kumar, Assistant Professor in Mechanical Engineering, attended a one-week FDP on “**Sustainable Green Manufacturing**” organized by Faculty Development Centre under Pandit Madan Mohan Malviya National Mission.
- ❖ Mr. Rakesh Kumar, Assistant Professor in Civil Engineering, and the department students attended a one-day Seminar on “**Structural Retrofitting, Repair and Rehabilitation**” organized by Birla Institute of Technology & Science, Pilani on 19.03.2024.

- ❖ Dr. Vivek Kumar, Professor in Electrical Engineering, attended a one-week online FDP on **“Recent Trends and Applications in Data Science”** organized by Department of Computer Science, Sister Nivedita University, Kolkata, from 26.02.2024 to 01.03.2024.
- ❖ Mr. Ashanand, Assistant Professor in Electrical Engineering, attended a one-week online FDP on **“Recent Trends and Applications in Data Science”** organized by Department of Computer Science, Sister Nivedita University, Kolkata from 26.02.2024 to 01.03.2024.
- ❖ Mr. Rajnish, Assistant Professor in Electrical Engineering, attended a one-week online FDP on **“Recent Trends and Applications in Data Science”** organized by Department of Computer Science, Sister Nivedita University, Kolkata from 26.02.2024 to 01.03.2024.
- ❖ Dr. Vivek Kumar, Professor in Electrical Engineering, attended a one-week online FDP on **“Electrical Design of Advanced VLSI and Communication Systems”** organized by Department of Electronics and Communication Engineering, National Institute of Technology, Hamirpur, Himachal Pradesh from 26.02.2024 to 01.03.2024.
- ❖ Mr. Ashanand, Assistant Professor in Electrical Engineering, attended a one-week online FDP on **“Electrical Design of Advanced VLSI and Communication Systems”** organized by Department of Electronics and Communication Engineering, National Institute of Technology, Hamirpur, Himachal Pradesh from 26.02.2024 to 01.03.2024.
- ❖ Mr. Rajnish, Assistant Professor in Electrical Engineering, attended a one-week online FDP on **“Electrical Design of Advanced VLSI and Communication Systems”** organized by Department of Electronics and Communication Engineering, National Institute of Technology, Hamirpur, Himachal Pradesh from 26.02.2024 to 01.03.2024.
- ❖ Dr. Vivek Kumar, Professor in Electrical Engineering, attended a one-week online FDP on **“Mastering Modern Deep Learning and Data Science”** organized by Department of Information Technology, Pimpri Chinchwad College of Engineering, Nigdi, Pune from 26.02.2024 to 02.03.2024.
- ❖ Mr. Ashanand, Assistant Professor in Electrical Engineering, attended a one-week online FDP on **“Mastering Modern Deep Learning and Data Science”** organized by Department of Information Technology, Pimpri Chinchwad College of Engineering, Nigdi, Pune from 26.02.2024 to 02.03.2024.
- ❖ Mr. Rajnish, Assistant Professor in Electrical Engineering, attended a one-week online FDP on **“Mastering Modern Deep Learning and Data Science”** organized by Department of Information Technology, Pimpri Chinchwad College of Engineering, Nigdi, Pune from 26.02.2024 to 02.03.2024.
- ❖ Dr. Vivek Kumar, Professor in Electrical Engineering, attended a one-week online FDP on **“Modern and Innovative Tools in Engineering Education”** organized by Department of Artificial Intelligence and Data Science, Techno College of Engineering, Agartala in association with Computer Society of India (Kolkata Chapter) from 04.03.2024 to 08.03.2024.
- ❖ Mr. Ashanand, Assistant Professor in Electrical Engineering, attended a one-week online FDP on **“Modern and Innovative Tools in Engineering Education”** organized by Department of Artificial Intelligence and Data Science, Techno College of Engineering, Agartala in association with Computer Society of India (Kolkata Chapter) from 04.03.2024 to 08.03.2024.
- ❖ Mr. Kuldeep Sharma, Assistant Professor in Electrical Engineering, attended a one-week online FDP on **“Modern and Innovative Tools in Engineering Education”** organized by Department of Artificial Intelligence and Data Science, Techno College of Engineering, Agartala in association with Computer Society of India (Kolkata Chapter) from 04.03.2024 to 08.03.2024.
- ❖ Faculty of Electrical Engineering department attended a three-days online Training Programme on **“IOT Applications in Agriculture”** organized by Anand International College of Engineering, Rajasthan, sponsored by CCS National Institute of Agriculture Marketing from 11.03.2024 to 15.03.2024.

- ❖ Faculty of Electrical Engineering department attended a one-week online Faculty Development Programme on “**Emerging Technological Trends in Industry**” organized by Department of Electronics and Telecommunication Engineering, Vishwakarma Institute of Technology, Pune from 11.03.2024 to 15.03.2024.
- ❖ Dr. Dinesh Kumar, Professor in Computer Science & Engineering, completed a one-week online STC on “**AI/ML and Data Science for Industry 4.0 (Advanced Level)**” Organized by NITTTR, Chandigarh from 26.02.2024 to 01.03.2024.
- ❖ Dr. Dinesh Kumar, Professor in Computer Science & Engineering, completed a one-week online FDP on “**Artificial Intelligence and Data Analytics (AIDA-2024)**” organized by Department of Artificial Intelligence and Data Science, Guru Jambheshwar University of Science & Technology, Hisar, from 18.03.2024 to 23.03.2024.
- ❖ Mr. Amit Ranjan, Assistant Professor in Computer Science & Engineering, completed a one-week online FDP on “**Recent Trends and Applications in Data Science**” organized by Department of Computer Science, Sister Nivedita University, Kolkata from 26.02.2024 to 01.03.2024.
- ❖ Ms. Suruchi, Assistant Professor in Computer Science & Engineering, completed a one-week online FDP on “**Recent Trends and Applications in Data Science**” organized by Department of Computer Science, Sister Nivedita University, Kolkata from 26.02.2024 to 01.03.2024.
- ❖ Ms. Jyoti, Assistant Professor in Computer Science & Engineering, completed a one-week online FDP on “**Recent Trends and Applications in Data Science**” organized by Department of Computer Science, Sister Nivedita University, Kolkata from 26.02.2024 to 01.03.2024.
- ❖ Ms. Sunita, Assistant Professor of Mathematics, successfully completed a one-week online FDP (UHV-I) on “**Inculcating Universal Human Values in Technical Education**” organized by All India Council for Technical Education (AICTE) from 04.03.2024 to 08.03.2024.
- ❖ Dr. Jitendra Gaur, Associate Professor of Physics and Prof. Sunita, Assistant Professor of Mathematics attended UHV-II online from 18.03.2024 to 23.03.2024.

### WORKSHOP / EXPERT LECTURE ORGANIZED

- ❖ IQAC of BRCM College of Engineering & Technology organized a one-day Workshop on “**Intellectual Property Rights(IPR)**” on 20.03.2024.

### TRAINING & PLACEMENT ACTIVITIES

- ❖ SBI Operation Support completed the process for the Salesforce Engineer position at Delhi location for the Computer Science Branch with a salary package of 4LPA. Mr. Alok Ranjan Mishra, B.Tech CSE, has been selected for the role.
- ❖ Effectual Services Pvt. Limited completed the process for the Associate position at Noida location for the Mechanical Branch with a salary package of 3.50 LPA. An online drive was conducted for the same on 08.01.2024 wherein 7 students participated in the process.
- ❖ Kansai Nerolac Paints Limited completed the process for the Technical Sales position at Pan India location for the Civil Branch with a salary package of 4.25 LPA. An online drive was conducted on 16.01.2024 wherein 4 students participated in the process.
- ❖ Deep and Darshan Buildcon Private Limited completed the process for the Site Engineer position at NCR location for the Civil Engineering Branch with a salary package of 1.80 to 3 LPA. Mr. Sourabh Gupta, B.Tech CE, has been selected for the role.

❖ Virtual Engineering Services Pvt. Ltd. conducted the interview for the Software Developer position at Delhi/NCR location for the CSE Branch with a salary package of 5-7 LPA. An online drive was conducted on 26.02.2024 and 27.02.2024.
